

A Proposal for Support for the Toledo Community Coalition

The Toledo Community Coalition has been in existence since August of 2011. Since that time we have done many things, accomplished much, and planned for many great things to come. We have done that with very little monetary support. Members of the Steering Committee have donated from their pockets or their organizations, and First Church of God has covered many of our expenses.

Based on our accomplishments and our future plans and commitments, we are coming out of childhood and moving into adolescence and adulthood. We have been approved by the IRS to be designated as a 501 (c) 3 nonprofit, we need to hire staff (at least part time) and we need to be able to cover miscellaneous expenses for our meetings, racial forums, applications, and other items.

We would like to see the coalition grow and believe that it will grow based on the issues we have begun to address and the successes we are seeing. We presently have several organizations and individuals who receive our mailings.

The Steering Committee would like to propose that we begin requesting a membership fee for both individuals and organizations who are or plan to participate in the Coalition. The fee will help to offset the costs listed above and to give us a financial base from which to work. The fee structure would be as follows:

Individuals:	\$25 or 50/year
Non-Profit Organizations	\$100/year
Organizations/ Corporations	\$150/year

We believe that these are fair amounts for individuals and organizations who are or have been involved in the Coalition over the past several years, and for those joining us. With a financial base we will be able to do much more and strategize better for our future together. We are also seeking outside funding to help us build that base for the future.

Please consider what you and/or your organization may be able to do to help with the Coalition's finances. If you are able to commit, please fill out the form at the bottom of this page and send it, with your check (made out to Toledo Community Coalition) to Juanita Greene, in care of First Church of God 3016 Collingwood Blvd Toledo, Ohio 43610.
